JIWO KRISTI

+6282130363110 | priyadijiwo@gmail.com | https://www.linkedin.com/in/jiwokristi/
Denpasar, Indonesia

Frontend Developer with 3 years of hands-on experience building responsive and user-centric web interfaces grounded in UI/UX design principles. Exceptionally proficient in modern programming languages like JavaScript and TypeScript, and skilled in utilizing advanced frameworks such as React.js, Next.js, and libraries like Material UI, Tailwind CSS, and GreenSock Animation Platform (GSAP). Passionate about creating seamless user experiences and committed to driving innovative solutions in forward-thinking projects.

Work Experiences

RiddleStory - **Amsterdam, Netherlands (Remote)**   Apr 2023 - Present
Fullstack Developer
Holland-based SaaS disruptor, revolutionizing HR onboarding with gamified SaaS.

- Collaborated within a team of 4 developers and 2 stakeholders, working on the development and delivery of 50+ features
- Spearheaded the development and completion of the RiddleStory Marketing Site's home page in 4 months, leveraging GSAP animations, Next.js, and ensuring full responsiveness across all devices
- Developed 8 sections: Landing, Hero, Why RiddleStory, Features Overview, Customer Stories, Pricing Plans, Footer, and Page Navigation in the RiddleStory Marketing Site's home page. The Features Overview highlights 13 key features, including Preboarding, Account Creation, 3D Island, Communication, Journey Builder, Goal Setting, Daily Mission, and Level & EXP
- Developed and enhanced 9+ key features within the RiddleStory app using React.js, including the Communication Activity, Goal Setting Activity, Question Activity, Daily Mission, Level & EXP, and a new Dashboard with Widget Management capabilities (Task List, Upcoming Events, Question, and Daily Mission Widgets)
- Improved user experience and accessibility by 30% by making the User Dashboard fully responsive, enabling accessibility across all devices within 1 week

PT Cipta Integrasi Nusantara - **Sleman, Indonesia**   Sep 2023 - Mar 2024
